Education

SRI VASAVI INSTITUTE OF ENGINEERING & TECHNOLOGY **2022 – 2026**
B.Tech in CSE (Artificial Intelligence & Machine Learning) — CGPA: 8.0 *Pedana, Andhra Pradesh*

Sri Chaitanya Junior College **2020 – 2022**
Intermediate Education *Gudivada, Andhra Pradesh*

Sahayamatha EM High School **2020**
Secondary School Education *Mudinepalli, Andhra Pradesh*

Experience

CHARANI INFOTECH PVT LTD **Feb 2025 – Present**
Full Stack Developer Intern *Andhra Pradesh, India*

- Developing scalable full-stack web applications using React.js, Node.js, Express.js, and MongoDB.
- Building responsive UI components with scalable frontend architecture and smooth UI animations.
- Working on HRM platform modules including attendance, payroll, notifications, and workflow systems.
- Collaborating on backend API integration, database management, and real-time application features.

Technical Skills

Languages: JavaScript, HTML, CSS, SQL, Java (Basic)
Frontend: React.js, Responsive UI Development
Backend: Node.js, Express.js
Database: MySQL, MongoDB, Firebase
AI Tools & Prompt Engineering: ChatGPT, Claude AI, Antigravity AI
Tools & Platforms: Git, GitHub, VS Code, Postman, Firebase

Projects

HRM Platform (In Development) | *React.js, Node.js, Express.js, MongoDB* **2026**

- Developing a scalable HRM platform featuring attendance, notifications, and employee management systems.
- Designing scalable frontend architecture with responsive dashboards, advanced UI animations, and role-based access control.
- Implementing notification workflows with audit logging, preference management, and real-time updates.
- Building REST API integrations and modular backend services for scalable HR operations.
- Currently under active development as part of internship and full-stack engineering work.

IPL Quiz Application | *React.js, Node.js, SQL* **2025**

- Built an interactive IPL quiz platform with dynamic question rendering and responsive UI.
- Integrated backend APIs to store player names, quiz scores, and leaderboard data in SQL databases.
- Improved user experience with real-time score calculation and clean frontend design.

Portfolio Website | *React.js, JavaScript, CSS* **2025**

- Designed and developed a personal portfolio website to showcase projects, technical skills, and achievements.
- Created responsive layouts with smooth animations and optimized performance across devices.

Certifications

- Java Full Stack Development Certification – BISTS Technologies
- Java Full Stack Developer Internship Certification – CHARANI INFOTECH PVT LTD
