Education

SRI VASAVI INSTITUTE OF ENGINEERING & TECHNOLOGY **2022 – 2026**
B.Tech in CSE (Artificial Intelligence & Machine Learning) — CGPA: 8.0 *Pedana, Andhra Pradesh*

Sri Chaitanya Junior College **2020 – 2022**
Intermediate Education *Gudivada, Andhra Pradesh*

Sahayamatha EM High School **2020**
Secondary School Education *Mudinepalli, Andhra Pradesh*

Experience

CHARANI INFOTECH PVT LTD **02 Feb 2026 – 01 May 2026**
Full Stack Developer Intern *Hydedabad, Telangana*

- Developing scalable full-stack web applications using React.js, Node.js, Express.js, Firebase, and REST APIs.
- Building enterprise HRM modules including employee management, attendance tracking, payroll, notifications, workflow automation, and role-based access control.
- Contributing to a production-grade e-commerce platform by developing responsive UI components, integrating backend APIs, and optimizing application performance.

Technical Skills

Languages: JavaScript, HTML, CSS, SQL, Java (Basic)
Frontend: React.js, Responsive UI Development
Backend: Node.js, Express.js
Database: MySQL, Firebase
AI Tools & Prompt Engineering: ChatGPT, Claude AI, Antigravity AI
Tools & Platforms: Git, GitHub, VS Code, Postman, Firebase

Projects

JavaMentor | *React.js, Node.js, Firebase* **2026**

- Built an Learning platform for Java Full Stack Development with authentication, coding practice, interview preparation, and progress tracking.
- Designed a scalable architecture with responsive UI, offline support, reusable components, and modern software engineering practices.

Employee Attendance Management System | *React.js, Node.js, Express.js, Firebase* **2026**

- Developed a full-stack employee attendance management system with secure authentication, attendance tracking, and leave management.
- Built REST APIs, integrated Firebase database operations, and developed responsive admin dashboards.
- Designed a scalable architecture following modern full-stack development practices.

3D Cinematic Portfolio | *React.js, JavaScript, GSAP, Canvas* **2026**

- Developed a cinematic portfolio featuring scroll-driven animations, a custom frame-based rendering engine, and responsive desktop/mobile experiences.
- Optimized canvas rendering, animation state management, and modular architecture for a high-performance interactive UI.

Certifications

- Java Full Stack Development Certification – BISTS Technologies
- Java Full Stack Developer Internship Certification – CHARANI INFOTECH PVT LTD
